

# Wireless Power Receiving Unit

*Analysis, design and implementation  
of inductive power receiving unit for  
wireless circuits*

Rikesh Chauhan

Thesis submitted for the degree of  
Master in Electronics and Computer Technology  
60 credits

Department of Physics  
Faculty of mathematics and natural sciences

UNIVERSITY OF OSLO

Autumn 2017

# Wireless Power Receiving Unit

*Analysis, design and implementation of  
inductive power receiving unit for  
wireless circuits*
